NOTE: Weddings are not included in the rates above and are covered in a separate Wedding Policy.

Sound and Video System Usage Fees

The rate for sound system setup and control personnel is a minimum fee of \$75 for the first two hours and an additional \$20/hr. for time exceeding two hours. Time will be required before each event for sound system personnel to accurately setup and tune the system. Therefore, this time must be compensated for and discussed with the appropriate sound personnel. Payment of this fee will be made directly to the sound personnel. These rates apply to members and Non-members.

Event Setup and Teardown Fees

There is a standard minimum fee of \$75 for the first two hours and an additional \$20/hr. for time exceeding two hours. Setup and Teardown must be discussed in detail with the appropriate personnel and actual setup and teardown often occurs during non-working hours and must be compensated. Payment of this fee will be made directly to the custodian. These rates apply to members and Non-members.
